## APPLICANT INSTRUCTIONS

---

- Read the relevant New Markets Tax Credit (NMTC) Program publications prior to completing the *Allocation Application*. For information on the calendar year (CY) ~~2017~~**2018** NMTC Program allocation round (this Round), read the ~~2017~~**2018** *Notice of Allocation Availability (NOAA)* and the *Community Development Financial Institutions Fund's* (the CDFI Fund's) document titled "*NMTC Allocation*~~2017~~**2018** *New Markets Tax Credit Program Application FAQs*" (NMTC Application-~~FAQs~~**-FAQ Document**." For tax related information on the NMTC Program, read the final regulations issued by the Internal Revenue Service (26 CFR 1.45D-1) and related guidance. For information on *Community Development Entity (CDE)* certification, read the CDFI Fund's document titled "*CDE Certification Q&A Document*." All of these documents are available on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov). The CDFI Fund's Q&A Document is periodically updated, so continue to check the website on a regular basis.
- Consult the Glossary of Terms when completing the *Allocation Application*. All terms and phrases that are in *Capitalized Italics* in the *Allocation Application* are defined in the Glossary of Terms.
- **A Subsidiary CDE cannot submit an Allocation Application.**
- If the *Applicant* has not been certified as a *CDE* by the CDFI Fund, it must submit its *CDE Certification Application* through the CDFI Fund's Awards Management Information System (AMIS) **on or before May 17, 5/24/2018~~2017~~ at 5:00pm Eastern Time**. The *CDE Certification Application* is available on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov). Organizations whose *CDE Certification Applications* are not submitted in AMIS in a timely fashion will be considered ineligible for *NMTC Allocations* in this Round of the Program.

**TIP:** The CDFI Fund cannot process a *CDE Certification Application* unless each entity seeking certification as a *CDE*: (a) is a legal entity, and is a domestic corporation or partnership for federal tax purposes; and (b) has a valid and distinct Employer Identification Number (EIN). *Applicants* or *Subsidiary Applicants* that have applied for, but not yet received, an EIN as of the date of the *Authorized Representative's* signature on the *Allocation Application* will not be accepted. For more information on EINs and applying for an EIN, refer to the *CDE Certification Q&A Document* on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov).

- Carefully read the *Allocation Application* and the *NOAA* to determine whether the *Applicant* has the requisite eligibility, capacity, experience, and skills to compete for and administer an *NMTC Allocation*, execute the proposed business strategy and achieve the proposed community outcomes. Be sure also to review carefully the Assurances and Certifications provided in this document. By signing this *Allocation Application*, the *Applicant* is certifying to the truth, completeness, and correctness of this *Allocation Application*, including the items listed in the Assurances and Certifications.
- If the CDFI Fund determines that any portion of the *Allocation Application* is incorrect in any material respect, the CDFI Fund reserves the right, in its sole discretion, to reject the *Allocation Application*.
- As the *Applicant* prepares the *Allocation Application*, assume that the CDFI Fund's *Allocation Application* reviewers are learning about the organization for the first time, even if the organization has previously submitted an application to the CDFI Fund under this or any of the other CDFI Fund programs.

- A start-up organization that does not have a track record of raising capital or offering products and services may reference the activities of its *Controlling Entity* in certain areas of the *Allocation Application*. However, a start-up may not reference the activities of individuals, including *Principals* or board members, to demonstrate such track record. The activities and experiences of individuals may be addressed in the Management Capacity section.
- The term *Applicant* refers to the *CDE* applying for an *NMTC Allocation* as well as any other *Subsidiary* entities, whether already formed or in the process of formation, which may receive a transfer of all or a part of an *NMTC Allocation* from the *Applicant*. To the extent practicable, the *Applicant* may respond to each question in this *Allocation Application* collectively on behalf of all such entities. If responses vary for separate entities, be sure to clearly articulate which entity is being referenced in the narrative and tables.
- **Be sure to keep each narrative brief:** Please note that each narrative text response has a maximum character length, which, depending on font size, will range from about 1/3 of a page to about 2 pages). These character maximums include spaces, punctuation, and special characters. All text that exceeds the maximum set for a narrative text response (which is noted at the end of each question) will be truncated at the character limit.

review process. **Only those attachments requested by the CDFI Fund will be considered as part of the review process. Furthermore, the CDFI Fund will not accept any revisions or amendments to an application or the attachments once they have been submitted for review.**

- **Part V - Information Regarding Previous Awards:** All *Applicants* are required to complete Part V of the *Allocation Application*. *Applicants* that have not received previous *NMTC Allocations* or that have not received other CDFI Fund Awards (i.e. FA-TA, CMF, BEA, BGP) will simply need to respond “No” to Questions 41 and 42 and not respond to Question 43. *Applicants* that have not made *QEI*s into previous *Allocates* or assumed *Control* of previous *Allocates* should respond “No” to Question 44. - The contents of this *Allocation Application* are consistent with the Internal Revenue Code Section 45D (the Code) and the *NMTC Program Income Tax Regulations*. **NOTE:** Where the *Applicant* is unable to answer "True" to one or more of the statements in items 10 through 17 of the General Certifications, the *Applicant* must submit a written explanation ~~with this Allocation Application~~ that clearly identifies the item number(s) and corresponding after each statement(s) it is unable to certify in its Allocation Application. The written explanation should also identify the applicable specific entity and/or individual by name. If the *Applicant* submits a written

statement in response to items 12(c), 12(e), 13(c), 14(c) or 15(c), it should identify and summarize the litigation or regulatory matters typically disclosed in the applicable entity's annual SEC filings for 2014, 2015, 2016, and quarterly for 2017. Additionally, if the *Applicant* is unable to answer "True" to item 11, the *Applicant* must provide a copy of any regulatory enforcement orders that are currently in effect upon request by the CDFI Fund and 2015, 2016 and quarterly for 2017.

## B. Certification Regarding Debarment, Suspension, and Other Responsibility Matters — Primary Covered Transactions

- This Certification is a material representation of fact upon which reliance is placed when the CDFI Fund enters into an *Allocation Agreement* with the *Applicant*. If it is later determined that the *Applicant* knowingly rendered an erroneous or false Certification, the CDFI Fund may terminate, in its sole discretion, the *Notice of Allocation* and the *Allocation Agreement* for cause or default.
- The *Applicant* must provide immediate written notice to the CDFI Fund if at any time the *Applicant* learns that this Certification was erroneous or false when submitted or has become erroneous or false by reason of changed circumstances.
- The terms "covered transactions," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "*Principal*," "proposal," and "voluntarily excluded," as used in this Certification, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. The *Applicant* may contact the CDFI Fund for assistance in obtaining a copy of those regulations (31 CFR Part 19).
- The *Applicant* agrees that, by submitting this *Allocation Application*, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the CDFI Fund.
- The *Applicant* further agrees that, by submitting this *Allocation Application*, it will include the Certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transaction," to be provided by the CDFI Fund, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions (see 31 CFR part 19, Appendix B).
- A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous or false. A participant may decide the method and frequency by which it determines the eligibility of its *Principals*. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs. See [www.eplssam.gov](http://www.eplssam.gov) for more information.
- Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the Certification hereby required. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- Except for transactions authorized under paragraph 4 above, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the CDFI Fund may terminate, in its sole discretion, the *Notice of Allocation* and the *Allocation Agreement* for cause or default.

Field Code Changed

**WITH REGARD TO THE CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS (BELOW):**

- If the Applicant is unable to provide **any** of the Certifications in section B below; the *Applicant* must submit a **written explanation** after each statement it is unable to certify in its Allocation Application. The CDFI Fund will consider the explanation provided and determine, in its sole discretion, whether the *Applicant* is eligible to apply for an *NMTC Allocation*.
- If the *Applicant* fails to furnish either the Certification or a written explanation, the *Applicant* is not eligible to apply for an *NMTC Allocation*.

\_\_\_\_\_

<sup>1</sup> For the purposes of Questions #2-6 in this *Applicant* Information section, the term *Applicant* shall only apply to the entity applying for a *NMTC Allocation*, and not to *Subsidiary* entities that may receive a transfer of all or part of a *NMTC Allocation*.

**TIP:** The answer to question 2(j) must be "No." An *Applicant* and its *Affiliates* may collectively submit only one application for an *NMTC Allocation* under this Round of the NMTC Program. If separate *Allocation Applications* are received from multiple *Affiliated* entities, the CDFI Fund reserves the right to reject all such applications. Likewise, *Subsidiary CDEs* are ineligible to submit an *Allocation Application*.

For the purposes of this requirement, in addition to assessing whether *Applicants* meet the definition of the term "*Affiliate*" found in the *Glossary of Terms* at the end of this *Allocation Application*, the CDFI Fund will consider, among other things: (i) whether different *Applicants* have the same individual(s), including the *Authorized Representative*, staff, board members and/or consultants, involved in day-to-day management, operations and/or investment responsibilities; (ii) whether *Applicants* have business strategies and/or proposed activities that are so similar or so closely related that, in fact or effect, may be viewed as a single entity; and/or (iii) whether the applications submitted by separate *Applicants* contain significant narrative, textual or other similarities such that they may, in fact or effect, be viewed as the substantially identical applications. In such cases, the CDFI Fund will reject all applications received from such entities.

For more information regarding these requirements, please review the *NOAA and NMTC Application FAQs* Document on the CDFI Fund's website at [www.cdfifund.gov](http://www.cdfifund.gov). If you have questions about whether two entities are *Affiliated*, you should contact the CDFI Fund within a week of May 2, 2017, the *NMTC Allocation Application* release date.

3. *Controlling Entity* Information:

Is the *Applicant* designating a *Controlling Entity*? \_\_\_\_ Yes \_\_\_\_ No

**TIP:** A CDE may only designate **one** organization as a *Controlling Entity*. This entity must meet the definition of *Controlling Entity* set forth in the *Glossary of Terms* of this *Allocation Application*. Individuals cannot be deemed to be *Controlling Entities*.

*Applicants* may use this *Controlling Entity* to assist in demonstrating an organizational track record and in completing the related exhibits. An *Applicant* may identify the parent organization or the company of its parent (i.e. "grandparent") as its *Controlling Entity* to demonstrate an organizational track record, provided that the relationship between the "grandparent" and the *Applicant* conforms to the CDFI Fund's definition of a *Controlling Entity*.

Should the *Applicant* receive an *NMTC Allocation* in this Round, the designated *Controlling Entity* **will need to continue in that capacity throughout the term of the *Allocation Agreement* and for any future *Allocation Agreements* with the CDFI Fund, should the *Applicant* apply and receive an allocation in a future round. Any *Applicant* that receives an *NMTC Allocation* in this Round must designate the same *Controlling Entity* as designated in this *Allocation Application* in any *Allocation Applications* for future rounds.**

*Applicants* that received **an** *NMTC Allocation* in the CY2014 **round** or ~~CY later 2015~~ **CY2016** rounds are expected to maintain the *Controlling Entity* stated in their *Allocation Agreement* in Question #3(a). Please see the *NMTC Application FAQs* **FAQ** for further guidance and information about exceptions to the above in the case of mergers, acquisitions, bankruptcy or similar legal

actions the *Controlling Entity* may undertake.

## **PART I: BUSINESS STRATEGY**

Information in Part I is scored during the Phase I stage of the Application review. Total Maximum Points for Part I: 25 points, plus up to 10 additional "priority points" available under sub-sections B and E. Information provided in this section will also be evaluated during the Phase II stage of the Application review. For more information on the *NMTC Allocation Application* review process, please consult the NOAA.

**TIP:** An *Applicant* will score well in this section to the extent it can articulate, with specificity, its strategy to use an *NMTC Allocation* and can describe a strong, relevant track record, including a track record of serving *LICs*. Included in this section is the ability to earn “priority points” for meeting the statutory priorities of: 1) investing in *Unrelated* entities; and/or 2) demonstrating a track record of serving *Disadvantaged Businesses or Communities*. Refer to the *NOAA* for further information on the statutory priorities.

## A. Products, Services, and Investment Criteria

**TIP:** For the purposes of completing the Business Strategy section and all relevant exhibits, *Real Estate Activities* refers to the development (including construction of new facilities and rehabilitation/enhancement of existing facilities), acquisition, management, or leasing of real estate. Non-real estate activities refer to all other types of business activities.

**TIP:** An *Applicant* will score well under the Products, Services, and Investment Criteria sub-section to the extent that it clearly describes its financial products and will deploy debt or equity capital, or offer products and services that feature more favorable rates, terms, structuring and non-traditional features when compared with market offerings. Please note, these criteria do not apply for an *Applicant* who intends to use its *NMTC Allocation* to pursue *Financial Counseling and Other Services (FCOS)* as their sole line of business.

**TIP:** The *NOAA* states, “As a condition of eligibility for this Allocation Round, the Applicant will not be permitted ~~the~~ use of the proceeds of Qualified Equity Investments (QEIs) to make Qualified Low-Income Community Investments (QLICs) in Qualified Active Low-Income Community Businesses (QALICBs) where QLICI proceeds are used, in whole or in part, to repay or refinance a debt or equity provider whose capital was used to fund the QEI, or are used to repay or refinance any Affiliate of such a debt or equity provider, except where: (i) the QLICI proceeds are used to repay or refinance documented reasonable expenditures that are directly attributable to the qualified business of the QALICB, and such past expenditures were incurred no more than 24 months prior to the QLICI closing date; or (ii) no more than five percent of the total QLICI proceeds from the QEI are used to repay or refinance documented reasonable expenditures that are directly attributable to the qualified business of the QALICB. Refinance includes transferring cash or property, directly or indirectly, to the debt or equity provider or an Affiliate of the debt or equity provider.”

If the *Applicant* selects “No” to [Q-Question #13\(a\)](#), then the *Applicant* will not be eligible to submit ~~a-2017~~[this](#) *NMTC Allocation Application*. If the *Applicant* selects “Yes” to [Q-Question #13\(a\)](#), the *Applicant* will be held to this commitment as a condition of its ~~2017~~ *Allocation Agreement*. For additional information, please see the *NMTC Compliance & Monitoring Frequently Asked*

### 13. QLICI Uses and Activities

- (a) Will the *Applicant* commit that it will not permit the use of the proceeds of *QEIs* to make any *QLICs* in *QALICBs* where *QLICI* proceeds are used to repay or refinance any debt or equity provider or a party

related to any debt or equity provider whose capital was used to fund the *QEI* except if: (i) the *QLICI* proceeds are used to repay documented reasonable expenditures that are directly attributable to the qualified business of the *QALICB*, and such past expenditures were made no more than 24 months prior to the *QLICI* closing date; or (ii) no more than five percent of the *QLICI* proceeds are used to repay or refinance prior investment in the *QALICB*? Refinance includes transferring cash or property directly to any debt or equity provider or indirectly to a party related to any debt or equity provider.

\_\_\_ Yes \_\_\_ No

(b) Please indicate the types of *QLICIs* in which the *Applicant* intends to engage (check all that apply), and what percentage of allocations (by dollar amount) will be used for each activity. (Percentages for (i)-(iv) should add up to 100 percent):

(i) \_\_\_ % Investments in, or loans to, ~~QALICBs~~ Qualified Active Low-Income Businesses (QALICB).

Loans/investments will be used to finance: (these three percentages should add up to 100 percent by dollar amount)

\_\_\_ % Non-Real Estate Activities

\_\_\_ % Real Estate Activities where the real estate will be owned (either directly or through an *Affiliate*) and principally occupied by an *Operating Business*.

\_\_\_ % Real Estate Activities where the real estate will be principally leased to third party tenants or sold to a third party.

(ii) \_\_\_ % Investments in, or loans to, other *CDEs*.

Please indicate the percentage of each activity (by dollar amount) in which the final recipient *CDEs* intend to engage, using the proceeds of the NMTC investments provided by the *Applicant*. Percentages should add up to 100 percent.

\_\_\_ % Origination of loans, investment of capital, or equity to *QALICBs*

\_\_\_ % *Financial Counseling and Other Services*

(iii) \_\_\_ % Purchases of loans from other *CDEs*.

(iv) \_\_\_ % *Financial Counseling and Other Services*.

\_\_\_ In conjunction with financing (check, if applicable)

\_\_\_ As a discrete line of business (check, if applicable)

14. Products, rates and terms that the *Applicant* intends to offer:

**TIP:** If an *Applicant* intends to utilize its requested *NMTC Allocation* to engage solely in either the purchase of loans from other *CDEs* or in the provision of *FCOS*, and not in the origination of loans or equity, it should skip Questions #14 and #15.

(a) Indicate the number of financial products the *Applicant* intends to offer with capital raised from an *NMTC Allocation*. A financial product may consist of one or more financial notes. *Applicants* may describe up to three separate financial products.

- \_\_\_\_\_ Financial Product 1
- \_\_\_\_\_ Financial Product 2
- \_\_\_\_\_ Financial Product 3

**TIP:** If the *Applicant* indicates it will be providing more than one financial product in Question #14(a), the *Applicant* should provide a distinct and unique narrative description for each financial product. *Applicants* that use the same narrative text for different financial products will not be scored as favorably. To the extent the *Applicant* indicates a range of offerings within an item listed above (e.g., interest rates from 100 basis points (bps) to 500 bps below market), it should describe what circumstances would dictate the specific rates or terms, and how often the best rates and terms would be offered.

**TIP:** For each product, the *Applicant* should clearly discuss how the product is structured as well as benefits this structure provides to borrowers/investees. A financial product structured with multiple financial notes (e.g., an A and B note, or an A, B, and C note, etc.) must be described as one financial product. In this case, the rates and terms of the financial notes should be discussed on a blended basis. For additional guidance on calculating blended interest rates, see the *NMTC Application FAQs*. The individual financial notes should not be listed as separate products unless they will also be offered on a stand-alone basis. *Applicants* will not be scored as favorably if they do not follow these instructions.

**TIP:** The sheer number of financial products selected by the *Applicant* in Question 14(a) has no effect on the scoring of the *Allocation Application*.

For each financial product selected in Question #

**TIP:** If the *Applicant* indicates it will be providing more than one financial product in Question #14(a), the *Applicant* should provide a distinct and unique narrative description for each financial product. *Applicants* that use the same narrative text for different financial products will not be scored as favorably. To the extent the *Applicant* indicates a range of offerings within an item listed above (e.g., interest rates from 100 basis points (bps) to 500 bps below market), it should describe what circumstances would dictate the specific rates or terms, and how often the best rates and terms would be offered.

In this case, the rates and terms of the financial notes should be discussed on a blended basis. For additional guidance on calculating blended interest rates, see the *Application FAQ*. The individual financial notes should not be listed as separate products unless they will also be offered on a stand-alone basis. *Applicants* will not be scored as favorably if they do not follow these instructions.

**TIP:** The sheer number of financial products selected by the *Applicant* in Question 14(a) has no effect on the scoring of the *Allocation Application*.

TIP: The Applicant may discuss other flexible or non-traditional features of its financial products in Q.14(b). Only the non-traditional and flexible features listed below are subject to reporting and only these features will be considered in measuring compliance with the Allocation Agreement.

(b) For each financial product selected in Question 14(a), provide a narrative that addresses the following elements:

- Indicate whether the product is debt, equity, or some combination of the two. If debt, describe if it will have any equity equivalent features (e.g. convertible debt, debt with warrants, etc.) and which of the following flexible or non-traditional features the Applicant intends to include as part of the financial product:
  - Below market interest rates (or rate of return in the case of *Equity Investments*)
  - Lower than standard origination fees
  - Longer than standard period of interest-only loan payments
  - Higher than standard loan-to-value ratio
  - Longer than standard amortization period
  - More flexible borrower credit standards
  - Non-traditional forms of collateral
  - Lower than standard debt service coverage ratio
  - Subordination
- Include a brief description of the rates and terms that will be offered and explain how these rates and terms compare with what is typically offered by the Applicant and in the Applicant's service area.
- Provide an example of how the product will be used (alone or in conjunction with non-NMTC capital) to finance a projected NMTC investment identified in Question #17. (Maximum Response Length: 5,000 characters)

(c) For an Applicant that indicated under Question #13(b) that it intends to finance other CDEs, describe the strategy by which the Applicant will ensure that those CDEs will pass along the NMTC benefits to their QALICB borrowers in the form of more favorable rates or terms. 15. Choose one of the following options. (check only one)

The Applicant will commit that 100 percent of its QLICs will:

- (a) be provided in the form of equity; equity-equivalent financing; debt with interest rates at least 50 percent below market; or debt that otherwise satisfies at least 5 indicia of flexible or non-traditional rates and terms, as listed in Question #14.

- (b) be provided in the form of equity; equity-equivalent financing; debt with interest rates at least 33 percent below market; or debt that otherwise satisfies at least 4 indicia of flexible or non-traditional rates and terms, as listed in Question #14.
- (c) be provided in the form of equity; equity-equivalent financing; debt with interest rates at least 25 percent below market; or debt that otherwise satisfies at least 3 indicia of flexible or non-traditional rates and terms, as listed in Question #14.
- (d) be provided in the form of equity; equity-equivalent financing; debt with interest rates at least 15 percent below market; or debt that otherwise satisfies at least 2 indicia of flexible or non-traditional rates and terms, as listed in Question #14.
- (e) None of the above.

**TIP:** Applicants will score better to the extent they commit to provide equity or equity-equivalent financing; greater interest rate reductions on their debt; and/or a higher number of flexible/non-traditional rates and terms. **An Applicant that checks one of the options a-d in Question #15 above should be aware that this commitment will be a condition of its Allocation Agreement with the CDFI Fund.**

Please refer to the NMTC Application FAQs document for guidance on how to calculate below-market interest rates.

**TIP:** Applicants will score better to the extent they commit to provide equity or equity-equivalent financing; interest rate reductions on their debt; and/or a higher number of flexible/non-traditional rates and terms. An Applicant may meet this commitment by meeting one or more of the criteria listed above. Applicants will not be guaranteed a higher score simply by offering products with a minimal interest rate. An Applicant that checks one of the options a-d in Question #15 above should be aware that this commitment will be a condition of its Allocation Agreement with the CDFI Fund.

Please refer to the Application FAQ document for guidance on how to calculate below market interest rates.

16. For an Applicant that indicated under Question #13(c) above that it plans to purchase qualifying loans from other CDEs:

- (a) Will the Applicant require the CDE from which it purchases loans to reinvest all or a portion of the proceeds from the loan sales in QLICs?

Yes  No

If yes, identify the percentage: \_\_\_\_\_%; and briefly describe the Applicant's mechanisms for enforcing this requirement:

(Maximum Response Length: 2,000 characters)

---

**TIP:** An *Applicant* purchasing loans from other *CDEs* generally will not score favorably in the Business Strategy section unless it indicates, in Question #16(a), that it will require the *CDE* from which it purchases loans to reinvest at least 85 percent of the proceeds from the loan sales in *QLICs*. The higher the percentage identified in Question #16(a), the better the *Applicant* will score under the Business Strategy section. **However, if the *Applicant* receives an *NMTC Allocation*, it will be required to meet the percentage identified above, and such requirement will be a term of its *Allocation Agreement*.**

- (b) Describe the extent to which the *Applicant* intends to purchase loans that include rates, terms and/or with conditions that would not be possible without the benefit of an *NMTC Allocation*.

## B. Projected Business Activities

**TIP:** Projected activities should be consistent with an *Applicant's* request for an *NMTC Allocation* and the *QLIC* activities selected in Question #13. An *Applicant* that has a set of clearly defined potential business activities will score well under this sub-section, as will an *Applicant* that can demonstrate an effective strategy for locating qualifying loans/investments in businesses and/or other eligible *QLIC* activities.

**TIP:** ~~*Applicants* that plan to finance a single or discrete number of *QLICs* are expected to provide a greater level of detail about their planned transactions in order to score well in comparison to those *Applicants* intending to fund a general pipeline. An *Applicant* that indicates that in its application that it intends to finance a single or a discrete number of *QLICs* as listed in Question #17 will be required to close such transactions, as a condition of the receipt of an *NMTC Allocation*, and such requirement will be a term of the *Allocation Agreement*.~~

**TIP:** If the *Applicant* selects "general pipeline," it must provide detailed sample transactions with total *QLIC* needs equivalent to the *Applicant's* *NMTC Allocation* request in Question #1. These sample transactions should be representative of the types of projects that will be undertaken with an *NMTC Allocation*. If an *Applicant* intends to invest in a variety of business types (e.g., healthcare, manufacturing, mixed-use real estate, etc.), it should be sure to define the types of businesses and to provide a sample project for each business type in the narrative response to Question #17(c). An *Applicant* should also be sure to indicate whether pipeline transactions may involve multiple *CDEs*.

**TIP:** Projected activities should be consistent with an Applicant's request for an NMTC Allocation and the QLICI activities selected in Question 13(b). An Applicant that has a set of clearly-defined potential business activities will score well under this sub-section, as will an Applicant that can demonstrate an effective strategy for locating qualifying loans/investments in businesses and/or other eligible QLICI activities.

**TIP:** Applicants that plan to finance a single or discrete number of QLICIs are expected to provide a greater level of detail about their planned transactions in order to score well in comparison to those Applicants intending to fund a general pipeline. An Applicant that indicates in its application it intends to finance a single or a discrete number of QLICIs as listed in Question #17 will be required to close such transactions, as a condition of the receipt of an NMTC Allocation, and such requirement will be a term of the Allocation Agreement.

**TIP:** If the Applicant selects "general pipeline," it must provide detailed sample transactions with total QLICI needs equivalent to the Applicant's NMTC Allocation request in Question #1. These sample transactions should be representative of the types of projects that will be undertaken with an NMTC Allocation. If an Applicant intends to invest in a variety of business types (e.g., healthcare, manufacturing, mixed-use real estate, etc.), it should define the types of businesses and provide a sample project for each business type in the narrative response to Question #17(c). An Applicant should also indicate whether pipeline transactions may involve multiple CDEs.

**TIP:** Where a general pipeline of investments is planned, it is not expected that the Applicant will invest in all of the listed projects. In the event an Applicant receives an allocation, the CDFI Fund recognizes that the Applicant may invest in projects not included in Question #17 and Table A5. Note, however, the CDFI Fund expects investments not presented in Question #17 and Table A5 will be clearly consistent with the Applicant's business strategy.

**TIP:** Where the Applicant anticipates investment in a revolving loan fund, the Small Dollar/Revolving Loan Fund" should be described as a single investment for the purposes of Q.17 and Table A5. It is not necessary in Table A5 to separately identify all of the pipeline investments that could be financed under that fund. The Applicant should be sure to describe the types of businesses that would be financed under the revolving loan fund in the Question #17(c) narrative, following the instructions for a general pipeline.

17. Projected NMTC Investments

(a) Complete Tables A1-A4, as applicable, according to the types of QLICI activities in which the Applicant intends to engage.

(b) Complete Table A5 for each QALICB or NMTC activity to be financed using the Applicant's requested NMTC Allocation in Question #1.

(b)(c) Please indicate if the Applicant plans to finance:  
\_\_\_\_\_ A single or discrete number of investments  
2

\_\_\_\_ A general pipeline of activities

(e)(d) Please write a narrative describing the *Applicant's* planned investments:

**Single or discrete number of investments:** If the *Applicant* intends to invest in one or a few discrete projects only, provide a narrative below to describe :

- ~~The feasibility and current status of each transaction (e.g., fully negotiated and committed, in-preliminary discussions, etc.);~~
- ~~The census tract location of the project(s) and uses of financing (e.g. construction, new-equipment purchase, reimbursement of previously incurred costs to developer or *Project Sponsor*, etc.);~~
- ~~The anticipated amount of financing (including Total Project Cost and amount of QLICs provided by CDE, amount of QLICs provided by other CDEs) and closing dates for project financing and project completion;~~

the risks that may preclude the project(s) from being completed within the timeframes identified (e.g. source of leverage debt, permits, site control, etc).

**General pipeline of activities:** If the *Applicant* intends to support a general pipeline of activities that may or may not yet be identified, provide a narrative describing:

- The total number of businesses or *CDEs* already identified, including the total dollar amount of NMTC financing (e.g. *QEI* and *QLICI* amount) to be provided. Total *QEI* needs should be equivalent to the *Applicant's* allocation request in Question #1. Be sure to indicate what portion of the *Applicant's* pipeline falls into different business or activity types (e.g. community facilities, retail, industrial, investments in *CDEs*, loan purchases from *CDEs*, etc).
- ~~Sample transactions that represent the type(s) of NMTC investments that the *Applicant* intends to make. Description of these sample transactions must include total project cost, the total *QEI* and *QLICI* to be provided by the *Applicant*, underwriting status, projected closing date, and the planned uses of financing (e.g. construction of new facility, new equipment purchase, reimbursement of previously incurred costs to developer or *Project Sponsor*, etc.);~~
- The *Applicant's* strategy for identifying potential borrowers, investees, or other customers in *Low-Income Communities*;
- The extent to which the *Applicant* intends to invest interest, dividends or other profits received from *QLICs* into additional *QLICs*, and the timeline for doing so.

(Maximum Response Length: 12,000 characters)

18. Innovative Uses of an NMTC Allocation

**TIP:** Question #18 will not be evaluated and scored in Phase I of *Allocation Application* reviews. Therefore, this question will not be used to determine whether an Applicant scored highly enough to receive consideration for an *NMTC Allocation*. The response to this question will be considered in Phase II of the *Allocation Application* reviews and may affect the size of the Applicant's *NMTC Allocation* (along with other evaluation criteria as discussed in the *NOAA*). For more information on the *Allocation Application* review process, please see the NMTC Program Application Presentation Slides on the NMTC page of the CDFI Fund's website and the *NOAA*.

**TIP:** If selecting the Innovative QLICs option, note that no particular activity is preferred over another. Any proposed innovative QLICs should be quantified as a percentage of the Applicant's total QLICs. If the Applicant receives an *NMTC Allocation*, it may be required to meet the percentage identified in Question #18 and such requirement may be a term of its *Allocation Agreement*.

**TIP:** If the Applicant proposes to pursue innovative QLICs by investing in states that have historically received fewer dollars of QLICs, the Applicant should refer to the [NMTC Application FAQsFAQ](#) to find the list of 10 states (plus Puerto Rico) that have received the least QLICI investments through [FY 2014CY 2017](#), based on *Community Investment Impact System (CIIS)* reporting data.

Does the Applicant intend to pursue any of the following innovative uses of an NMTC Allocation?

- Investing in *Unrelated CDEs* that do not have *NMTC Allocations*.
- Investing in states identified by the CDFI Fund as having received fewer dollars of *QLICs* historically.
- Providing *QLICs* where the total *QLICs* received by the *QALICB* are \$2 million or less.
- Making *QLICs* with an original term less than or equal to 60 months.
- Providing *QLICs* for non-Real Estate Activities, such as working capital, inventory or equipment purchase.
- Investing in *Federal Indian Reservations, Off-Reservation Trust Lands, Hawaiian Home Lands, and Alaska Native Village Statistical Areas*.

\_\_\_\_\_ Yes \_\_\_\_\_ No

- \_\_\_\_\_% Investing in *Unrelated CDEs* that do not have *NMTC Allocations*;
- \_\_\_\_\_% Investing in states identified by the CDFI Fund as having received fewer dollars of *QLICs* historically;
- \_\_\_\_\_% Providing *QLICs* where the total *QLICs* received by the *QALICB* are \$4 million or less;
- \_\_\_\_\_% Making *QLICs* as equity or debt with an original term less than or equal to 60 months;
- \_\_\_\_\_% Providing *QLICs* for non-Real Estate Activities, such as working capital, inventory or equipment purchase; and

% Investing in Federal Indian Reservations, Off-Reservation Trust Lands, Hawaiian Home Lands, and Alaska Native Village Statistical Areas.

If "Yes," discuss how the Applicant will use entered a percentage above, discuss the requested NMTC Allocation Applicant's strategy to engage in any of deploy QLICs for the innovative uses of an NMTC Allocation listed above. Be sure to clearly quantify the percentage of the requested NMTC Allocation that will be used for each activity selected above. The Applicant should reference sample transactions from Question #17c and Table A5, as well as its track record of similar activities in the past. (Maximum Response Length: 5,000 characters)

---

### C. Prior Performance

**TIP:** An Applicant that can demonstrate (either on its own or through its Controlling Entity) a strong, successful track record of providing products, services, or FCOS similar to those that it intends to provide with QEI proceeds will score well under this sub-section. Only the organizational track record of the Applicant or the Controlling Entity may be referenced. The track record of the Controlling Entity must include the financing activities (loans and Equity Investments) of all Subsidiaries of the Controlling Entity, including the Applicant if the Applicant is a Subsidiary of the Controlling Entity. The track record of the Applicant must include the financing activities of all Subsidiaries of the Applicant. The track records of staff, Principals, board members and other management individuals are not relevant for this sub-section. There will be an opportunity to discuss individual qualifications in the Management Capacity section of this application.

#### 19. Track Record (Tables B1-B3)

Does the Applicant, or its Controlling Entity, have a track record of directly providing or otherwise facilitating loans or Equity investments to Real Estate and Operating Businesses (excluding Restricted NMTC Business Activities), loans or Equity investments to CDEs, or purchasing loans from CDEs which correspond to the activities in Question #13 and described in Question #17?

Yes (complete Questions #19(a) and (b))       No

**TIP:** The NMTC Program authorizing statute requires the CDFI Fund to give priority to any Applicant that has a track record of successfully providing capital or technical assistance to Disadvantaged Businesses or Communities. An Applicant may receive up to five "priority points" for demonstrating such a track record. Responses to Question #19 and Question #20 as well as Exhibit B, are used to determine the amount of "priority points." Only the organizational track record of the Applicant or the Controlling Entity may be referenced. Do not refer to the track record of individuals (e.g., staff, Principals, consultants) associated with the Applicant or its Controlling Entity.

**TIP:** The *Applicant* may reference, in the Tables in Exhibit B and in the narratives in Question #19(b) and Question #20(b) (if applicable), loans or *Equity Investments* that the *Applicant* (or its *Controlling Entity*) has itself financed and for which it has capital at risk (direct financing/investment). Only loans or *Equity Investments* may be included in the Tables in Exhibit B and in the narratives in Question #19(b) and Question #20(b). Grants provided by the *Applicant* or *Controlling Entity* may not be included. Please note that capital provided to non-profit businesses that are not in the form of a loan will be considered grants and should not be referenced in Question #19, Question #20 or included in Exhibit B.

**TIP:** An *Applicant* that demonstrates a longer track record of providing similar direct financing/investments or *FCOS* to entities that are not *Affiliates* (either on its own or through its *Controlling Entity*) will generally score higher in this section than an *Applicant* that demonstrates a shorter track record of direct financing/investments or *FCOS*. An *Applicant* (either on its own or through its *Controlling Entity*) will score lower in this section if its track record is comprised primarily or exclusively providing indirect financing/investments, and/or a track record of primarily or exclusively financing *Affiliates*.

**TIP:** If an *Applicant* intends to utilize its *NMTC Allocation* to engage in the provision of *FCOS* as a discrete line of business (as indicated in Question #13), it must include the following in its narrative response to Question #19(b): (1) the number of businesses/entrepreneurs to which the *Applicant* has provided counseling or other services in the last five years; and (2) the percentage of those businesses/entrepreneurs that were located in LICs: Low-Income Communities. This information will be used to evaluate the *Applicant's* eligibility to receive "priority points" for demonstrating a track record of successfully providing capital or technical assistance to *Disadvantaged Businesses or Communities*.

Please note that if an *Applicant* intends to use its *NMTC Allocation* to engage in the provision of *FCOS* as its sole line of business, and not in the purchase or origination of loans or *Equity Investments*, it does not need to complete Tables B1-B4.

- (a) Complete Tables B1-B3, as applicable, based on the *Applicant's* selections in Question 13.
- (b) Provide a narrative discussion of the organization's track record relevant to each type of activity selected (including *FCOS*) in Q-Question #13, referencing data included in Tables B1-B3, as appropriate. *Applicants* that intend to use the *NMTC* allocation to make loans to or investments in should describe the similarity between their track record and the types of businesses to which they plan to provide *QLICs*. **(Maximum Response Length: 10,000 characters)**
- Be as specific as possible with respect to the uses of past financing (e.g. construction, new equipment purchase, etc.). Also indicate which activities were undertaken by the *Applicant*, as opposed to its *Controlling Entity* (including its *Subsidiaries*).
  - Be sure to discuss whether the data in Exhibit B refers to the *Applicant's* or *Controlling Entity's* (including its *Subsidiaries*) direct financing (i.e., its own capital at risk) versus indirect financing (e.g., loan packaging, project development, etc.). Also, indicate the extent (including the number and dollar amount) that loans or investments were made to *Affiliates* of the *Applicant* or *Controlling Entity*.
  - Focus the discussion specifically on the *Applicant's* or its *Controlling Entity's* experience

targeting *Disadvantaged Businesses and Communities*. Be sure to include the number of years that the *Applicant* or *Controlling Entity* has served *Disadvantaged Businesses and Communities*.

20. Track Record (Table B4)

**TIP:** See the [NMTC Application FAQs](#) for additional guidance on the types of "Financing/Investment Activities that would not qualify as *QLICI* Activities."

- (a) Complete Table B4, if applicable. Does the *Applicant*, or *Controlling Entity*, have a track record of successfully providing loans, *Equity Investments*, and/or financial counseling that do not directly correspond to the selections in Question #13 (e.g. *Restricted NMTC Activities*, loans and/or investments in NMTC investment funds or non-*CDE* financial institutions, personal or consumer loans, and residential mortgages) but are relevant to the proposed NMTC activities?

Yes     No

- (b) Referencing Table B4 as appropriate, describe the *Applicant's*, or *Controlling Entity's*, track record over the past five years of successfully providing the loans or *Equity Investments* and financial counseling included in Table B4 and how these activities are similar to the proposed NMTC activities:

## D. Non-Metropolitan Counties

**TIP:** Question #21 will not be evaluated and scored in Phase I of *Allocation Application* reviews. Therefore, this question is not used to determine whether an Applicant scored highly enough to receive consideration for an *NMTC Allocation*. The response to this question will be considered in Phase #2 of the *Allocation Application* reviews and may affect the size of the Applicant's *NMTC Allocation* (along with other evaluation criteria as discussed in the *NOAA*). For more information on the *Allocation Application* review process, please see the NMTC [Program Application Roadmap Presentation Slides](#) on the NMTC page of the CDFI Fund's website and the *NOAA*.

**TIP:** As provided for in Section 102(b)(6) of the Tax Relief and Health Care Act of 2006 (Pub. L. 109-432), and described further in the *NOAA* and the [NMTC Application FAQsFAQ](#) document that accompanies this application, the CDFI Fund has established the goal that: (i) 20 percent of all *QLICs* made by *Allocatees* under this Round are invested in *Non-Metropolitan Counties*; and (ii) a proportionate number of *Rural CDEs* (as defined in the *NOAA*) receive allocation awards.

*Applicants* are therefore required to provide two target estimates below: (1) a minimum percentage of *QLICs* the *Applicant* is willing to commit to provide to *Non-Metropolitan Counties*; and (2) the maximum percentage of *QLICs* that the *Applicant* is willing to commit to providing to *Non-Metropolitan Counties*. At the discretion of the CDFI Fund, the *Applicant* may be required to deploy a percentage of its allocation at or above the minimum indicated in Question #21(b), but not more than the maximum percentage indicated in Question #21(c); and such requirement shall become a condition of its *Allocation Agreement* with the CDFI Fund.

**TIP:** An *Applicant* that presents a minimum of a three-year track record of direct financing in Exhibit B, responds "Yes" to Question #21(a) (including an appropriate supporting narrative), and commits to a figure of 50 percent or greater in response to Question #21(c) may be deemed to be a "*Rural CDE*", and may be eligible to receive special consideration for an *NMTC Allocation* in accordance with the process outlined in the *NOAA*. For more information, see the [NMTC Application FAQsFAQ](#).

An *Applicant* may receive a larger *NMTC Allocation* than would otherwise be the case, regardless of designation as a *Rural CDE*, if it: (i) makes a minimum commitment of 20 percent or greater in response to Question #21(b); (ii) has a track record of providing direct financing in *Non-Metropolitan Counties* and a strong strategy for deploying NMTC investments in these communities; and (iii) is ranked highly enough to be considered for an *NMTC Allocation*.

In accordance with the *NOAA* for this round, in the event the CDFI Fund adds additional *Rural CDEs* to the *Allocatee* pool in order to achieve the targeted percentage of investment in *Non-Metropolitan Counties*, a formula reduction will be applied as uniformly as possible, to the allocation amount for all *Allocatees* in the pool that have not committed to investing a minimum of 20 percent of their *QLICs* in *Non-Metropolitan Counties*.

### 21. Non-Metropolitan Counties

- (a) Have at least 50 percent of the Applicant's (or *Controlling Entity's*) total direct financing dollars over the past five years, as shown in Exhibit B, been directed to *Non-Metropolitan Counties*?

\_\_\_\_\_ Yes      \_\_\_\_\_ No  
2

(b) What is the minimum percentage of QLICs that the Applicant is willing to commit to deploy in Non-Metropolitan Counties?

\_\_\_\_\_ %

(c) What is the maximum percentage of QLICs that the Applicant is willing to commit to deploy in Non-Metropolitan Counties?

**(Note: this value must be equal to or greater than the value for Question #21(b)).**

\_\_\_\_\_ %

(d) If the response to Question #21(c) above is greater than zero percent, referencing Exhibit B, briefly describe the Applicant's (or its Controlling Entity's) five-year direct financing track record in Non-Metropolitan Counties in Tables B1-B3 and Table B4. Specifically, describe the types of projects and the dollar amounts that the Applicant (or its Controlling Entity) provided directly to projects located in Non-Metropolitan Counties. See the NMTC Application FAQs [FAQ](#).

(Maximum Response Length: 2,000 characters)

---

---

---

**TIP:** Applicants can and should list specific Non-Metropolitan transactions in response to Question #17 and Table A5. These transactions should be referenced in response to Question #21(e) as necessary to explain the Applicant's strategy for deploying QLICs in Non-Metropolitan Counties.

(e) If the response to Question #21(c) above is greater than zero percent, and only to the extent not discussed elsewhere in the application, discuss the Applicant's strategy for deploying QLICs in Non-Metropolitan Counties.

(Maximum Response Length: 5,000 characters)

Indicate the number and dollar amount of transactions that have already been identified in Non-Metropolitan Counties, for which underwriting is completed or underway.

- Provide Reference sample transactions in the Applicant's Non-Metropolitan pipeline-- Description of these sample transactions must include total project cost, the total QEI and QLICI to be provided by the Applicant, underwriting status, projected closing date, and the planned uses of financing (e.g. construction of new facility, new equipment purchase, reimbursement of previously incurred costs to developer or Project Sponsor, etc.) included in Table A5.

Discuss the key challenges the Applicant anticipates it will have providing QLICs in Non-Metropolitan Counties and how the Applicant's strategy Applicant proposes to overcome those challenges.

**E. Investments in Unrelated Entities**

**TIP:** The NMTC Program legislation requires the CDFI Fund to give priority to *Applicants* that intend to use “substantially all” of their *QEI* proceeds to make investments in one or more businesses in which persons *Unrelated* to the *Applicant* hold the majority equity interest. An *Applicant* that answers “Yes” to Question #22 will be awarded five additional points. An *Applicant* that receives priority points under this sub-section will be required, in its *Allocation Agreement*, to invest substantially all of its *QEI* proceeds in *Unrelated* entities. Please refer to the *NMTC Allocation Application FAQs* document for more information about what is considered an *Unrelated* entity transaction.

22. Does the *Applicant* intend to use substantially all of the proceeds of its *QEIs* to make *QLICs* in one or more businesses in which persons *Unrelated* to the *Applicant* hold the majority equity interest?

\_\_\_ Yes \_\_\_ No

23. Notable Relationships

Describe any potential situations in which the *Applicant*, its *Affiliates* (including the *Controlling Entity*) or its personnel (persons involved in identifying projects or making investment decisions on behalf of the *Applicant*, including governing or advisory board members and consultants), will receive financial benefits from the *QALICBs* financed with the *Applicant's QLICs*.

- (a) Will the *Applicant*, its *Affiliates* or its personnel own more than a one percent interest in the *QALICB*? \_\_\_ Yes \_\_\_ No
- (b) Will the *Applicant*, its *Affiliates* or its personnel provide professional services (developer, real estate agent, property manager, or general contractor) for the *QALICB*? \_\_\_ Yes \_\_\_ No
- (c) Will the *Applicant*, its *Affiliates* or its personnel be lessees at property developed with the *QLIC*? \_\_\_ Yes \_\_\_ No
- (d) Will the *Applicant*, its *Affiliates* or its personnel be a party to a business transaction financed with the *QLICs*? \_\_\_ Yes \_\_\_ No
- (e) Are there other financial benefits that the *Applicant*, its *Affiliates* or its personnel may receive, but are not included in items (a)-(d) above? \_\_\_ Yes \_\_\_ No

For items (a)-(e) above for which “Yes” was selected, describe such situations:  
(Maximum Response Length: 2,000 characters)

(f) Provide an example and quantify how such relationships will create benefits (i.e. cost savings, lower fees) for QALICBs or unaffiliated end-users, such as tenant businesses, or residents of Low-Income Communities. (Maximum Response Length: 2,000 characters)

## PART II: COMMUNITY OUTCOMES

Information in Part II is scored during the Phase I stage of the Application review. Total Maximum Points for Part II: 25 points. Information provided in this section will also be evaluated during the Phase II stage of the Application review. For more information on the *NMTC Allocation Application* review process, please consult the *NOAA*.

**TIP:** The CDFI Fund will review the extent to which the *Applicant's* strategy will have positive community outcomes. An *Applicant* will generally score well under this section to the extent that:

- (a) it is working in particularly economically distressed or otherwise underserved communities;
- (b) it shows that its projected financing activities will generate demonstrable community outcomes; and
- (c) it demonstrates meaningful engagement with community stakeholders when vetting potential NMTC investments.

**TIP:** The CDFI Fund does not expect that each and every investment will be in an area identified in [Question #24](#).

## B. Community Outcomes – Prior Performance and Projections

**TIP:** An Applicant may score higher to the extent that its projected activities will generate clear and well-supported outcomes for the communities affected, not simply based on the sheer number of outcomes selected in Question #25.

**TIP:** An Applicant will score well in this sub-section to the extent that:

- (a) It (or its Controlling Entity) has a track record of producing quantitative and qualitative community outcomes similar to those expected to be achieved;
- (b) Its projected community outcomes are supported by clear and sound methods and metrics for each outcome selected;
- (c) The projected community outcomes are highly likely to result from the proposed activities described in Question #17;
- (d) The projected community outcomes will clearly benefit Low-Income Persons and residents of LICs. Note that the location in a LIC in and of itself is not sufficient to demonstrate benefit to LIC residents/LIPs.

**TIP:** Applicants that select Job Creation/Retention as an outcome are also required to provide a response for Quality Jobs and Accessible Jobs.

**TIP:** Applicants that select Community Goods and Services as an outcome must be sure to address how they will evaluate the effectiveness of the community service providers.

25. Community Outcomes

(a) Select the outcome(s) the *Applicant* expects to achieve as a result of the projected *QLICs* described in the Business Strategy section. Select all that apply and for each outcome selected, please:

- Quantify the *Applicant's* projected community outcomes;
- Considering the *Applicant's* planned NMTC financing/investments described in Question #17 and listed in Table A5, explain how the *Applicant* quantified the potential outcomes that would result from receiving an *NMTC Allocation*;
- Describe and quantify (to the extent possible) the *Applicant's* track record of achieving each selected outcome through past financings/investments. Discuss how the track record of achieving outcomes compares with projected outcomes. (Maximum Response Length: 5,000 characters)

1.	—	JOB CREATION/RETENTION. Quantify, as best as possible, the number of <u>direct jobs</u> (either in the aggregate or on average for each project financed) that will be created or retained through the <i>Applicant's</i> planned <i>QLICs</i> . Be sure to discuss both temporary jobs (e.g., construction) and permanent jobs.
2.	—	QUALITY JOBS. Quantify (e.g., provide the number and/or percentage of total jobs) and discuss the extent to which jobs created or retained by the <i>Applicant's</i> planned <i>QLICs</i> represent quality jobs. Also, discuss the extent to which jobs created through the <i>Applicant's</i> <i>QLICs</i> will provide opportunities for training and advancement (particularly for low-skilled workers).
3.	—	ACCESSIBLE JOBS. Quantify (e.g., provide the number and/or percentage of total jobs) and discuss the extent to which the jobs created or retained by the <i>Applicant's</i> planned <i>QLICs</i> will be targeted and/or available to <u>LIPs/Low-Income Persons</u> , residents of <i>LICs</i> , people with lower levels of education, and people who face other barriers to employment (e.g., longer term unemployed, ex-convicts, etc.).

Quantify (e.g., number of residents of <u>LICs/Low-Income Communities</u> or <u>LIPs/Low-Income Persons</u> expected to be served, square footage built, etc.) and describe the extent to which the <i>Applicant's</i> planned <i>QLICs</i> will increase the provision of commercial goods or services to residents of <u>LICs or LIPs/Low-Income Communities or Low-Income Persons</u> , the types of commercial goods and services (e.g., access to retail, restaurants, or pharmacies, etc.) expected to be provided, and how they will benefit residents of <u>LICs or LIPs/Low-Income</u>

		<u>Communities or Low-Income Persons.</u>
5.	—	HEALTHY FOOD FINANCING. Quantify (e.g. number of people served, square footage built, etc.) and describe the extent to which the <i>Applicant's</i> planned <i>QLICs</i> will finance projects, particularly retail outlets such as grocery stores, supermarkets and farmer's markets that increase access to fresh and healthy food for <i>Low-Income Persons</i> or <i>Low-Income Communities</i> . Indicate how the <i>Applicant</i> will identify and target areas that are <i>Food Deserts</i> or otherwise have demonstrated lack of access to fresh and healthy food.
6.	—	COMMUNITY GOODS OR SERVICES TO <i>LOW-INCOME COMMUNITIES</i> . Quantify (e.g. number of people served, square footage built, etc.) and describe the extent to which the <i>Applicant's</i> planned <i>QLICs</i> will increase access to high quality community goods or services for residents of <i>Low-income Communities</i> or <i>Low-Income Persons</i> (e.g., healthcare, social services, educational, cultural, etc.).

8.	—	FLEXIBLE LEASE RATES. To the extent the <i>Applicant</i> is financing <i>Real Estate Activities</i> , quantify (e.g. percentage below market, etc.) and describe the efforts the <i>Applicant</i> will make to ensure that tenant-businesses, specifically locally-owned businesses, <i>Minority-owned</i> or <i>Minority-controlled</i> businesses, and non-profit organizations, will receive rent reductions or be able to purchase their properties.
9.	—	HOUSING UNITS. Quantify (e.g. number of units, percent of affordable units) and describe the extent to which the <i>Applicant</i> will provide housing opportunities for <i>Low-Income Persons</i> or residents of <i>Low-Income Communities</i> ; the extent to which housing will be offered in areas of high housing need, including communities with high concentrations of vacancies or foreclosures; and/or the extent to which the housing development adheres to principles of "smart growth", including transit-oriented development.
10.	—	ENVIRONMENTALLY SUSTAINABLE OUTCOMES. Quantify (e.g. amount of reduced energy or water use by QALICB, amount of reduced energy costs by end users, etc.) and describe the extent to which the <i>Applicant</i> will finance projects which remediate environmental contamination (including addressing environmental health in <i>Low-Income Communities</i> ); meet Leadership in Energy & Environmental Design (LEED) certification or similar green building standards; and/or directly support the production or distribution of renewable energy resources (e.g., biomass, hydro, geothermal, solar, wind, etc.).

11 \_\_\_\_\_ OTHER. In the space provided, please quantify and describe any other community outcomes that the Applicant expects to achieve, not included in items 1-10 above. [Applicants will be able to enter up to two community outcomes in this section of the electronic Allocation Application.]

(b) Describe the Applicant's track record of establishing and monitoring community outcomes, if the Applicant has a track record. Describe how the Applicant will track and document the community outcomes QALICBs are expected to achieve as a result of the Applicant's QLICs. Describe the Applicant's track record of monitoring these types of community outcomes, if the Applicant has a track record. (Maximum Response Length: 5,000 characters)

**TIP:** An Applicant that describes a thorough track record of documenting past community outcomes and a methodology for tracking future community outcomes will score more highly on this question.

---

---

---

(b) Will the Applicant use NMTC dollars to finance development or rehabilitation of rental or for-sale housing?

**TIP:** An Applicant that describes a thorough track record of establishing and documenting past community outcomes and a methodology for tracking future community outcomes will score more highly on this question.

---

---

---

Yes  No

**TIP:** Please note that Question 25(c) includes activities directed to the development or rehabilitation of any housing units, including housing units resulting from mixed-use projects. Regardless of an Applicant's response to this question, all CY 2017 NMTC Allocatees that use its QLICs to finance housing units will be required to ensure that at least 20 percent of aggregate units financed by the Allocatee are affordable housing units (e.g. affordable to persons with incomes less than 80 percent of AMI), and such requirement will be a term of its Allocation Agreement.

(c) If the *Applicant* responded “Yes” to Item 5 in Question #25(a), what percentage and dollar amount of the *Applicant’s* NMTC activities will focus on healthy food financing, including activities in *Food Deserts* (assuming the *Applicant* is awarded the total requested NMTC Allocation)?

**TIP:** As part of the Healthy Food Finance Initiative (HFFI), the CDFI Fund is seeking to track the anticipated amount of NMTC healthy food financing investments, including those investments made in *Food Deserts*. This information is being collected and will be tracked for informational purposes. The *Applicant* will not be held to the commitments made in Question #25(d) below, nor will the information provided in Question #25(d) affect the scoring of the application. *Allocatees* that engage in these activities may be publicly acknowledged for participating in the HFFI.

26. Community Accountability and Involvement

**TIP:** All CDEs are required to maintain accountability to LICs/Low-Income Communities. An *Applicant* that can articulate meaningful involvement in LICs/Low-Income Communities and with a variety of LIC/Low-Income Community stakeholders, as well as a track record of community engagement (either directly or through its *Controlling Entity*) will be evaluated favorably under this question.

(a) Complete Table C1. Please describe the *Applicant’s* process for evaluating the community benefits of potential QLICs and the extent to which the *Applicant’s* Advisory Board, *Low-Income Persons*, and/or residents of *Low Income Communities* participate in this process. Be sure to discuss:

- The *Applicant’s* process for determining if a proposed investment aligns with LIC/Low-Income Community priorities and how this process affects investment decisions.
- The number and percentage of LIC/Low-Income Community representatives on the *Applicant’s* Advisory and/or Governing Board.
- The role, formal or otherwise, these individuals play in setting investments parameters, formulating the *Applicant’s* pipeline of investments, and approving the *Applicant’s* investment decisions. Provide examples where possible.  
(Maximum Response Length: 5,000 characters)

(b) Discuss the extent of the *Applicant's* (or *Controlling Entity's*) track record of project-specific community engagement related to past investment decisions. Please note that simply consulting with the Advisory Board is not an example of community engagement. Provide 2– 3 examples. (Maximum Response Length: 3,000 characters)

---

---

---

(c) Discuss the extent of the *Applicant's* (or *Controlling Entity's*) track record of making investments in projects that were part of a broader community or economic development strategy (e.g., neighborhood revitalization plan, county or state economic development plans, etc.). (e)(d) Discuss the portion of the *Applicant's* planned NMTC financings/investments described in Question #17 that are part of a broader community or economic development strategy (e.g., neighborhood revitalization plan, county or state economic development plans, etc.). Please describe how one or more of the *Applicant's* planned *QLICs* will contribute to the goals of such strategies or initiatives. (Maximum Response Length: 3,000 characters)

**TIP:** The *Applicant* may discuss supply-chain investments and other types of private investments that are expected to occur as a result of the proposed *QLICs* described in the Business Strategy section. Only include those impacts that are anticipated to occur in *LICs*, as opposed to general economic effects.

27. Additional Investment

Discuss the extent to which the *Applicant's* proposed *QLICs* described in the Business Strategy section are expected to stimulate additional private investment above and beyond the *QLIC*-related financing in *LIC-Low-Income Communities*. Please provide specific examples of the *Applicant's* (or *Controlling Entity's*) past investments that have spurred additional non-NMTC related private investment in *LICs*. ## PART III: MANAGEMENT CAPACITY

---

Information in Part III is not scored during the Phase I stage of the Application review. Information provided in this section will be evaluated during the Phase II stage of the Application review. For more information on the *NMTC Allocation Application* review process, please consult the *NOAA*.

### 28. Organizational Chart and Key Personnel

(a) Submit organizational chart(s) that depict the following:

- The *Applicant's* relationship to its *Controlling Entity* as well as any *Affiliate* or *Subsidiary* entities (if applicable); and
- The *Applicant's* staffing structure (including names of key personnel), including Advisory Board/Governing Board and key board committees.

**TIP:** Be sure to refer to the *Applicant Instructions* for information regarding the submission of these documents. All attachments must be submitted online through the *Applicant's* AMIS account.

account.

(b) Complete Table C2. Identify the Applicant's (and Controlling Entity's) personnel, including consultants and board members (if applicable) that will have a key role in:

- Deploying Capital – identifying and underwriting transactions; structuring NMTC loans and *Equity Investments*; and/or providing *FCOS*;
  - Raising Capital from Investors – including raising tax credit equity and leveraged debt if the Applicant will use the leveraged investment model;
- Asset and Risk Management; and
- NMTC Program Compliance.

**TIP:** Be sure to identify any and all consultants that will have a key role in assisting the *Applicant* in managing an NMTC line of business, including consultants who assisted in preparing the *Allocation Application*.

**TIP:** The *CDFI* Fund will only review the first 15 individuals listed in Table C2.

### 29. Deploying Capital or providing *FCOS*:

**TIP:** The CDFI Fund expects the *Applicant's* personnel to have relevant experience in the types of activities the *Applicant* intends to pursue with its *NMTC Allocation* – particularly in situations where the *Applicant* (or its *Controlling Entity*) lacks prior organizational performance in providing loans or *Equity Investments* and related functions (e.g. monitoring loan repayments or dividend payments, managing disbursement of construction draws, etc.).

An *Applicant* will be evaluated more favorably under this sub-section if it can also demonstrate that its personnel have experience identifying borrowers or investees in *LICs*; evaluating business to determine long-term sustainability; and structuring *QLICs* or providing *FCOS* that meet the needs of *LIC* borrowers/investees.

- (a) Describe the current and planned roles and responsibilities of the Applicant's (and Controlling Entity's) key personnel, consultants and board members in deploying capital in LICs/Low-Income Communities including: identifying borrowers or investees; evaluating businesses and structuring loans and *Equity Investments*; and/or providing FCOS/Financial Counseling and Other Services. The *Applicant* should reference information from Table C2 as necessary. Be sure to indicate the percentage of work completed or expected to be completed by consultants, internal staff, and board members. (Maximum Response Length: 5,000 characters)

~~(Maximum Response Length: 5,000 characters)~~

- (b) Describe how the *Applicant* will manage the addition of *NMTC* activities into its current portfolio of activities, including whether additional staff (or consultants) will need to be hired, and whether any of the roles and responsibilities of the Applicant's (an Controlling Entity's) key personnel, consultants and board members described in Question 29(a) would change. (Maximum Response Length: 2,000 characters)

30. Asset and Risk Management Experience:

**TIP:** Each *Applicant* must demonstrate that it has the capacity and relevant experience to manage the types of assets it intends to invest in with the requested *NMTC Allocation*, as well as monitor the *QALICB's* use of *NMTC* proceeds (e.g., construction, equipment purchase, etc) and control associated risks (e.g., loan repayments, cash distributions to the investment fund, leverage lenders, etc.)

**TIP:** An *Applicant* will be evaluated favorably under this sub-section if it has experienced personnel and appropriate procedures and systems in place to successfully manage a loan and/or investment portfolio, including informational and performance aspects of administering such assets or pools of similar assets.

(a) Describe the current ~~and planned~~ roles and responsibilities of the Applicant's (and Controlling Entity's) key personnel, consultants and board members in managing the assets to be financed with an *NMTC Allocation* and associated risks. The *Applicant* should reference personnel's prior experience from Table C2 as necessary. Be sure to indicate the percentage of work completed or expected to be completed by consultants, internal staff, and board members. ~~Be sure to indicate the percentage of work completed or expected to be completed by consultants, internal staff, and board members.~~ (Maximum Response Length: 5,000 characters)

---

---

(b) Describe how the *Applicant* will manage the addition of NMTC assets into its current portfolio of assets, including whether additional staff (including consultants, third-party firms, or other CDEs) will need to be hired, ~~and whether any of the roles and responsibilities of the Applicant's (and Controlling Entity's) key personnel, consultants and board members described in Question 30(a) would change.~~ (Maximum Response Length: 2,000 characters)

---

---

---

(c) For each major product line, describe how the *Applicant* (or *Controlling Entity*) monitors financial assets.

- Explain how the organization will ensure that *QLICI* proceeds are used to finance the assets for which they are intended and identifies borrowers at greater risk (e.g., risk rating system for a loan portfolio, *QALICB* reporting, etc.) and how the *Applicant* responds when assets are at greater risk.
- Indicate if the *Applicant* (or *Controlling Entity*) has written asset management and collection policies and whether it has ever deviated from those policies in the past five years and, if so, why.
- Address the *Applicant's* strategy for minimizing defaults and managing delinquencies to mitigate against write-downs or write-offs going forward. (Maximum Response Length 5,000 characters)

---

---

---

(d) For the *Applicant* (or *Controlling Entity*), complete Table D1 (Investment Portfolio) and discuss the *Applicant's* (or *Controlling Entity's*) delinquency rate(s) as of March 31, the Allocation Application release date 2017 for each major asset class as well as its default rate (write-offs) over the past three years for each major asset class. Also:

- Explain the reasons for any negative results such as an increase or unusual spikes in delinquencies, write-offs or loan restructurings that have occurred.
- If the *Applicant*, or its *Controlling Entity*, is a regulated financial institution, please compare delinquency and default rates with the appropriate peer group. (Maximum Response Length: 5,000,500 characters)

---

---

---

---

---

**TIP:** Delinquency rate means the percentage of loan payments and mandatory dividend payments, on a dollar basis, that were 90 days past due (i.e., the combined dollar amount of principal, interest and mandatory dividend payments, 90 days or more past due divided by the total dollar amount of loans and *Equity Investments* outstanding).

- (e) Discuss any delinquent, defaulted, or impaired loans or *Equity Investments* from prior NMTC investments. Note the total value of each investment, as well as the total number of days delinquent or the amount charged off. Discuss the *Applicant's* strategies for managing these troubled investments, including any work-out strategies used, as well as any policy or procedure changes implemented to avoid future delinquencies and write-offs. (Maximum Response Length: 5,000 characters)
- 
- 
- 

31. Program Compliance Experience:

**TIP:** Each *Allocatee* must have the capacity to remain in compliance with NMTC Program requirements. An *Applicant* will be evaluated favorably in this sub-section to the extent that it can: 1) demonstrate experience with similar regulatory compliance requirements, including compliance under other tax credit programs; and 2) articulate a specific strategy for ensuring that its NMTC-related investments will qualify at the time of investment and throughout the seven-year credit period.

At least 85 percent of the proceeds of the *QEI*s are invested in *QLIC*s in accordance with the *NMTC Program Income Tax Regulations*. If the *Applicant* is providing loans or

investments to another CDE, how will it ensure that the secondary CDE fulfills its investment requirements?

- The businesses that the *Applicant* invests in are QALICBs, in accordance with the NMTC Program Income Tax Regulations. If purchasing a portfolio of loans, how will the *Applicant* ensure that it purchases loans that are QLICs?
- Payments of, or for, capital, equity, or principal by its borrowers or investees are re-invested into QLICs within applicable reinvestment periods. If providing loans to or investments in another CDE, how will it ensure that the secondary CDE fulfills its re-investment requirements?

If the most recent CRA rating is less than "Outstanding", describe:?

       Yes                   No                   Not Applicable

If yes to Question #32, please describe if the most recent CRA rating is less than "Outstanding":

(e) Complete Table D2 – Fee Structure

Based on the projections in Exhibit A, provide an itemized list of the individual fees that represent the Fee Structure the Applicant (or Controlling Entity) anticipates will typically apply to investments closed with the requested NMTC Allocation and result in compensation to the Applicant (or Controlling Entity), its Affiliates or Unaffiliated Third-Parties.

Describe Table D2 - Fee Structure in detail. Explain why the Fee Structure and Average Fee Percentage of the requested NMTC Allocation are appropriate for the investment strategy described in this application. (Maximum Response Length: 2,000 characters)

---

(e)(f) Complete Table D3 based on the projected activities reflected in Exhibit A- and fees described in 33(e) and Table D2. Based on the projections in Table D2D3:

- Describe the *Applicant's* projected sources of income and expense(s) associated with administering the *Applicant's* NMTC line of business and how the *Applicant* will be able to sustain this line of business, consistent with its overall business strategy, including its timeline for making investments.
- If the *Applicant* will use existing resources (e.g., accumulated cash balances), third-parties as a source of operating income (e.g., grants or loans), or in-kind contributions (e.g. use of personnel, back office systems), describe the *Applicant's* progress in securing firm commitments;

(Maximum Response Length: 5,000 characters)

---

**TIP:** The narrative response in Question #33(e) should clearly describe the assumptions and calculations used to derive each income and expense line from Table D2 in a way that CDFI Fund staff will be able to easily understand, quantify, and evaluate. The *Applicant* should indicate whether it is using cash or accrual methods of accounting. Table D2 should be completed using the *Applicant's* fiscal year indicated in Question #2(i) (see the NMTC Application FAQs).

**TIP:** If the *Applicant* has engaged (or intends to engage) any third-parties (e.g., consulting firms) that will receive any NMTC related income from the *Applicant*, QEI proceeds, QALICBs, or investors, the *Applicant* must disclose, describe and include this compensation as an offsetting income and expense of the *Applicant* in Table D2. It must also be clearly described in the response to Question #33(e) below.

response to Question #33(f) below.

## PART IV: CAPITALIZATION STRATEGY

Information in Part IV is not scored during the Phase I stage of the Application review. Information provided in this section will be evaluated during the Phase II stage of the Application review. For more information on the *NMTC Allocation Application* review process, please consult the *NOAA*.

### A. Investor Strategy

**TIP:** An *Applicant* that demonstrates a track record of raising capital from investors (including market rate capital) consistent with the Allocation request and, if applicable, a high level of investor *Commitment* will be evaluated favorably under this sub-section.

If an *Applicant* is seeking investments from investors that have not yet provided capital, the *Applicant* may be evaluated favorably if it presents a strong strategy for raising capital from such investors.

34. Complete Table E1 and describe the track record of the *Applicant* (or its *Controlling Entity*) raising capital from third-party sources, particularly equity capital at market or near-market rates. Be sure to distinguish between raising capital from profit-motivated investors; from government or philanthropic sources of capital; or using tax credits as an incentive. *Applicants* may also discuss the experience of key personnel, consultants, and board members in raising capital. Reference information provided in Table C2 as appropriate.

(Maximum Response Length: 5,000 characters)

---

---

---

**TIP:** While Table E1 must contain data only of the *Applicant* (or its *Controlling Entity*) and the track record of the *Applicant* (or its *Controlling Entity*) must be discussed in Question #35, the *Applicant* may refer in Question #35 to the qualifications and five-year capital-raising track record of individuals (e.g., staff, *Principals*, consultants) listed in Table C1 for organizations other than the *Applicant* (or its *Controlling Entity*).

### 35. Investment Partnerships

- (a) Does the *Applicant* intend to secure investments from partnership entities that will leverage non-*Equity Investments* (e.g., debt, grant dollars) from outside of the partnership to increase the tax credit yield for members of the partnership? (Please note: *Applicants* planning to use the leverage model to raise *QELs* for all or a portion of their allocation should select "Yes" below.)

\_\_\_\_ Yes      \_\_\_\_ No

(b) If Yes, provide the percentage of equity versus non-equity investments for all such investor partnerships based on the *Applicant's* requested *NMTC Allocation*.

\_\_\_\_\_ % *Equity Investments*

\_\_\_\_\_ % *Non-Equity Investments*

36. Investment Strategy

(a) Has the *Applicant* or its *Affiliates*, either directly or through subsidiary *CDE(s)*, received *QEI*s from investors in amounts equal to or greater than the Allocation request in Question #1 between January 1, ~~2012~~2013 and May ~~2, 2017~~9, 2018 (the release date for the ~~2017~~ *NMTC Allocation Application*)?

\_\_\_\_\_ Yes, complete Table E2 and Question #36(c).

\_\_\_\_\_ No, complete Question #36(b).

**TIP:** *Applicants* (or *Affiliates*) who have received *QEI*s from investors in amounts equal to or greater than the Allocation request in Question #1 between January 1, ~~2012~~2013 and May ~~2, 2017~~9, 2018 (the release date for the ~~2017~~ *NMTC Allocation Application*) **are required to complete Table E2.** ~~These Applicants should not complete Table E3, submit investor letters, or respond to See FAQ Question #36(d) below.~~  
[#106](#)

However, *Applicants* (or *Affiliates*) that have received *QEI*s in amounts less than the Allocation request in Question #1 between January 1, 2013 and May 9, 2018 (the release date for the *NMTC Allocation Application*) **are required to complete Table E3** and should not complete Table E2. If the *Applicant* provided investor letters as evidence of its ability to raise capital, then the *Applicant* should respond to Question #36(c). If the *Applicant* did not provide investor letters, it should respond to Question #36(d). [See FAQ Question #106](#)

**TIP:** All *Applicants* that respond "Yes" to Question #36(b) are required to submit, along with their applications, documentation demonstrating proof of investor interest (e.g., *Commitment* letters; *Letters of Interest/Intent*). Investor letters should identify whether the investor will make a direct investment in the *CDE* or into a partnership.

*Applicants* that answer Yes to Question #35(a) and complete Table E3 are required to submit, along with their applications, documentation demonstrating proof of the interest of the equity investors and debt providers (e.g., letter indicating intent of equity or debt investor to provide capital to the partnership entity that will provide the *QEI* to the *Applicant*). Be sure to follow the directions in the *Applicant* Instructions section for information regarding the submission of these documents.

If the *Applicant* answered "Yes" to Question #35(a) and plans to source non-*Equity Investments* from sources that are specific to particular *QALICBs*, the *Applicant* should discuss this strategy in the response to Question #36(c) to the extent that it may invest in *QALICBs* that have not yet been identified at the time of the *Allocation Application*.

(b) If "No" to Question #36(a) above, has the *Applicant* provided investor *Commitments* or *Letters of Intent/Interest* for investors listed in Table E3?

\_\_\_\_\_ Yes, complete Table E3 and Question #36(c).

\_\_\_\_\_ No, complete Question #36(d).

(c) If the *Applicant* responded "Yes" to Question #36(a) or Question #36(b), discuss the extent to which the *Applicant* may raise capital from equity and/or debt investors not listed in Table E2 or E3. *Applicants* that intend to raise *QEs* using the leverage structure must also describe potential sources of leveraged debt related to their planned NMTC investments (described in Question #17), including ~~whether the percentage of~~ leverage debt ~~will~~ that is anticipated to be sourced from the *QALICB* or *Affiliates* of the *QALICB*. **(Maximum Response Length: 5,000 characters)**

---

---

---

---

(d) If the *Applicant* responded "No" to Question #36(a) and Question #36(b) above, discuss the *Applicant's* strategy for securing NMTC investor *Commitments*:

- The *Applicant's* strategy for identifying additional equity investors or non-equity providers (i.e., leveraged debt), including the extent to which the *Applicant* will be utilizing community alliances or strategic partners to raise investment capital and/or whether leverage debt will be sourced from the *QALICB* or *Affiliates* of the *QALICB*.
- The *Applicant's* timeline for securing investments from equity investors and/or leveraged debt if the *Applicant* answered yes to Question #35(a) and, any risks that may preclude the *Applicant* from closing such investments, and how the *Applicant* is mitigating such risks.

If the *Applicant* is using a third-party investment banker to raise capital, describe whether a contract is in place, the terms (actual or proposed) of the contract, and the progress to date that the banker has made in securing *Commitments* from investors. Do NOT list these investment bankers in Table E3. **(Maximum Response Length: 8,000 characters)**

---

---

---

37. Please respond to the following questions:

(a) Will one or more of the *Applicant's* current or prospective investor(s) originate or otherwise identify transactions in which the *Applicant* will invest?

\_\_\_\_\_ Yes      \_\_\_\_\_ No

(b) Will the *Applicant* receive any *QEI*s from *Affiliates*?  
\_\_\_\_\_ Yes \_\_\_\_\_ No

(c) If the answer to (a) or (b) is yes, provide narrative detailing:

- The name of each such equity investor or non-equity provider;
- The role of each equity investor or non-equity provider with respect to locating, underwriting, and structuring each investment;
- Whether each equity investor or non-equity provider offers similar products or services already; and
- If applicable, the extent to which the *Applicant* will offer products with more favorable rates or terms than those currently offered by the equity investor or non-equity provider and/or will target its activities to areas of greater economic distress than those currently targeted by the equity investor or non-equity provider. [\(Maximum Response Length: 2,000 characters\)](#)

---

---

---

**TIP:** If the *Applicant* has obtained or plans to obtain investments from organizations that also will identify or originate transactions for the *Applicant* or organizations that are *Affiliated* with the *Applicant*, it will be evaluated favorably if: a) the *Applicant's* transactions are more targeted to areas of greater economic distress than those areas that investors are already reaching with their investments or loan originations; or b) the *Applicant's* products and services are offered with more favorable rates or terms than those offered by the investor.

38. Distribution of Benefits:

**TIP:** The CDFI Fund expects *Applicants* to quantify this information and to be able to demonstrate that there is appropriate sharing between the investor, *CDE*, and borrowers/investees.

(a) Quantify as best you can, for each anticipated investment type, how economic benefits of the *QEI* will be apportioned amongst:

- i. the investors (equity and leverage debt sources), through economic returns (e.g. interest income, investor IRR);
- ii. the *Applicant* (or its *Subsidiaries/Affiliates*), through economic returns (including fees).
- iii. the *QALICB* investees/borrowers, through lower costs of capital;
- iv. if applicable, the unaffiliated end-users through lower costs (e.g., lower tenant lease rates). [\(Maximum Response Length: 5,000 characters\)](#)

---

---

---

- (b) To the extent there may be any tax credit equity remaining at the end of the seven-year credit period, be sure to address how the residual value will be apportioned amongst investors, QALICBs, the *Applicant* and/or its *Affiliates*. Address any terms or conditions the QALICB must meet as a term of the distribution. (Maximum Response Length: 3,000 characters)

---

---

---

- (c) If the *Applicant* generates a profit from its overall NMTC activities, discuss how this profit will be used- (e.g., dollar amount or percentage of profit that will be distributed to investors or shareholders, support additional NMTC or non-NMTC ~~LIC~~ Low-Income Community investments, support other activities of the *Applicant* or *Affiliates*, etc.). (Maximum Response Length: 2,000 characters)

---

---

---

## B. Sources and Uses of Capital

**TIP:** In this sub-section, the CDFI Fund seeks to understand both how efficiently the *Applicant* will use *QEI* proceeds and how well it is leveraging other sources of financing in conjunction with the activities undertaken with its *QEI* proceeds. An *Applicant* that intends to invest/re-invest more than 85 percent of its *QEI* proceeds in *QLICs* will be evaluated more favorably, provided that the *Applicant* can reasonably demonstrate that it has other mechanisms in place to support its costs of operations.

39. Will more than 85 percent of the *QEI* proceeds be invested/re-invested in *QLICs*?

\_\_\_ Yes \_\_\_ No     If yes, what percentage: \_\_\_ \_\_\_%.

**TIP:** An *Applicant* that indicates in Question #40 “yes” and provides a percentage greater than 85 percent will be required to meet the percentage identified above, and such requirement will be a term of its *Allocation Agreement*.

40. Minimum Request Amounts

Is there an absolute minimum amount below which the *Applicant* would be unwilling to accept an *NMTC Allocation*?

\_\_\_\_\_ Yes \_\_\_\_\_ No

If Yes, provide the amount \$\_\_\_\_\_. Describe how this amount was determined. Be sure to address why the *Applicant* could not administer a smaller award:

(Maximum Response Length: 1,000 characters)

---

---

---

**TIP:** At the conclusion of the CDFI Fund's review process, if the *Applicant* is recommended to receive less than the minimum amount of allocation authority identified in Question #40, the CDFI Fund **will not** provide an *NMTC Allocation* to the *Applicant*. An *Applicant* with a high minimum allocation request will need to demonstrate that it can raise and deploy the *NMTC Allocation* requested in a timely manner; that it will likely achieve significant community impacts or production innovations; and that it could not successfully implement its business strategy without this minimum allocation amount.

## PART V: INFORMATION REGARDING PREVIOUS AWARDS

---

Information in Part V is not scored during the Phase I stage of the Application review. Information provided in this section will be evaluated during the Phase II stage of the Application review. For more information on the *NMTC Allocation Application* review process, please consult the *NOAA*.

### 41. CDFI Fund Award Status:

Has the *Applicant* and/or any of its *Affiliates* previously received a financial award (not including an *NMTC Allocation*) from the CDFI Fund?

Yes  No

If No, please skip Question #44. If Yes, please list the allocation(s) in the table. The *Applicant* may use additional space as necessary:

**TIP:** *Applicants* should only list *NMTC Allocations* that have been directly awarded to the *Applicant* and/or any of its *Affiliates*. Do not include information on *NMTC Allocations* awarded to *CDEs* if the *Applicant's* only relationship to that *CDE* is through a *QEI* made into the *CDE* by the *Applicant* or an *Affiliate* of the *Applicant*.

Award control number: \_\_\_\_\_

Total allocation amount: \_\_\_\_\_  
 \_\_\_\_\_

 \_\_\_\_\_

**TIP:** Receipt of a prior award or allocation through any of the CDFI Fund's programs will not affect the likelihood of an *Applicant* receiving an *NMTC Allocation* in this round. The CDFI Fund will examine the compliance status of *Applicants* (or their *Affiliates*) that have previously received CDFI Fund awards or allocations.

**TIP:** An *Applicant* that has received (or whose *Affiliates* have received) an *NMTC Allocation* under a previous allocation round is NOT eligible to receive allocations under this allocation round unless minimum threshold requirements regarding the issuance of *QELs* have been met. Be sure to review the *NOAA* for additional *Applicant* eligibility information.

**TIP:** The CDFI Fund will review transaction-level data submitted by *Applicants* that are prior-year *Allocatees* through the *CISIS* and may seek additional information from *Applicants* to determine whether activities and the *QLICs* made were consistent with the transactions and activities proposed in the relevant prior-year *Allocation Application(s)* as described in the *NOAA* and *NMTC Application FAQs*.

43. If the *Applicant* answered Yes to Question #42, briefly explain the current status of its previous allocation award(s). Be sure to address:

(c) ~~As of the *Allocation Application* release date, the number and dollar amount of *QELs* issued on each award and the number and dollar amount of *QLICs* made with each award. (Maximum Response Length: 2,000 characters)~~

\_\_\_\_\_

\_\_\_\_\_

(a) If the *Applicant* has made *QLICs*, describe the types of transactions that have been financed to date. The *Applicant* must discuss the projects that received the largest *QLICs* in each of the *Applicant's* three most recent *Allocations*, as of the *Allocation Application* release date. (If a single project received the *QLICs* from more than one of the past three awards, see [NMTC Application FAQs #96-FAQ #109](#)). If the *Applicant* has received less than three *Allocations*, it should discuss the three projects that received the largest investments in the last five years. See [the NMTC Application FAQs document](#) [FAQ](#) for additional guidance.

For each project identified, describe how NMTC proceeds were used, including:

- How the CDE ensured that the NMTCs allocated did not exceed the amount necessary to assure project feasibility.
- Efforts to secure alternative sources of capital in the marketplace in order to

complete the project.

Any community outcomes or benefits that were generated as a result of the transaction.

The source(s) and amount(s) of leveraged debt from all sources (including the percentage of leverage sources derived from the *QALICB*, *Affiliates* of the *QALICB* and/or *Project Sponsor*), if any.

- Any investment-related fees and third-party expenses paid by the *QALICB* or the *QALICB*'s affiliates that were paid either to the *Applicant*, its *Affiliates*, *QEI* investors or directly to any other parties in connection with consideration or receipt of the *QLIC* investment(s) (e.g., CDE upfront and on-going fees, fees and expenses associated with leverage debt, accounting, legal, on-going asset management, loan servicing, back-end fees, etc.).

(Maximum Response Length: 10,000 characters)

---

---

---

(b) If the *Applicant* co-invested in a project(s) with other *CDEs*, explain what actions the *CDE* took to control expenses paid by *QALICBs* and investors: (e.g., Co-investing *CDEs* used one set of documents, shared professional expenses, etc.).

(Maximum Response Length: 3,000 characters)

---

---

(c) Discuss whether the activities undertaken with the NMTC dollars were consistent (with respect to product offerings, *QALICB type*, fees and markets served, *QALICB type*, etc.) with the business strategy presented in the relevant Allocation Application. If the activities were not consistent with the relevant Allocation Application, describe the inconsistencies.

(Maximum Response Length: 3,000 characters)

---

---

---

(d) To the extent the *Applicant*'s past transactions have been structured to allow *QALICBs* to acquire a portion of *QLICs* through a put/call option at the end of the seven-year credit period, please quantify the value of the investment acquired by the *QALICBs* at the end of the seven-year credit period both as a dollar amount and as a percentage of total *QLICs*.

(Maximum Response Length: 2,000 characters)

**TIP:** Applicants and/or any Affiliates that have shared Control of a CDE (or Subsidiary of a CDE) that is a prior round Allocatee should answer "Yes" to Question #44 and provide requested responses.

**TIP:** Applicants providing responses to Question #44 need only make one entry per Allocatee, per award for which the Applicant has provided QELs regardless of the number of individual QELs made to that Allocatee under a single award. For example, if an Applicant has made 10 QELs in Allocatee X under its second round allocation, then the Applicant would provide the aggregate amount of those 10 QELs in its response to Question #44.

## EXHIBIT A: PROJECTED ACTIVITIES

**Instructions for Exhibit A:** All Applicants must complete the tables in Exhibit A based on the QLIC activities checked in Question #13. Tables A1-A4 should be consistent with the information provided in Question #13.

### **TIPs for Exhibit A:**

- 1) If the Applicant intends to transfer all or part of its NMTC Allocation to its Subsidiaries, combine the activities of the Applicant and its Subsidiaries. Only include those activities to be carried out by the Applicant and its Subsidiaries relating to equity raised with NMTCs.
- 2) Only include amounts the Applicant (or its Subsidiaries) will itself originate (e.g., do not include participation amounts that will be originated by third-parties). The Applicant may separately discuss amounts it will leverage or facilitate in the narrative to Question #17, but should clearly distinguish these amounts and should not include them in the tables in Exhibit A.
- 3) The data included in the tables in Exhibit A, in the aggregate, should not exceed the Applicant's total allocation request unless the Applicant intends to invest interest, dividends, or other profits received from QEI proceeds into additional QLICs. If the Applicant is pursuing such a strategy of reinvestment, it should be further described in the narrative to Question #17, and listed separately in lines 5-8 of Tables A1 and A2; lines 5-6 of Table A3; and line 4 of Table A4. **Do not consolidate reinvestment data into lines 1-4 in A1-A3 and lines 1-3 in A4, where the Applicant should only discuss original QLICs.**

The Applicant may separately discuss amounts it will leverage or facilitate in the narrative to Question #17, but should clearly distinguish these amounts. The Applicant can enter the amount of non-NMTC financing included in the total project cost in row h of Table A5.
- 3) The data included in the Tables A1 – A4, in the aggregate, should not exceed the Applicant's total allocation request unless the Applicant intends to invest interest, dividends, or other profits received from QEI proceeds into additional QLICs. - 4) Only include investment activities explained in Question #17 in Table A5. Applicants must enter zero or greater for rows (f), (g), (h), and (i). Applicants should check the options that most closely align with the intended financing for rows (l), (m) and (n). The CDFI Fund does not have a preference for one selection over another selection.
- 5) Applicants intending to use their NMTC Allocation for a Small Dollar and/or Revolving Loan/Equity fund (row k) are required to report the transactions in one aggregate entry in Table A5.

## EXHIBIT B: TRACK RECORD OF ACTIVITIES

---

**Instructions for Exhibit B:** Applicants must complete the Tables B1-B3 in Exhibit B for the Applicant's (or *Controlling Entity's*) track record of loans and/or equity investments to Real Estate and *Operating Businesses* (excluding *Restricted NMTC Business Activities*), loans or *Equity* investments to *CDEs*, or purchasing loans from *CDEs*. Applicants must complete Table B4 for any loans/investments that do not directly correspond to the activities in Question #13 (e.g. *Restricted NMTC Activities*, loans and/or investments in NMTC investment funds or non-*CDE* financial institutions, personal or consumer loans, and residential mortgages). If the Applicant's or the *Controlling Entity's* track record includes the provision of grants to entities, including real estate, *Operating Businesses*, and/or *CDEs*, do not include these activities in Tables B1-B4 or discuss in the narratives for Questions #19 or #20.

An Applicant must provide information for the past five years or for as many years as the Applicant (or *Controlling Entity*) has been in operation, if it has been in operation for fewer than five years. An Applicant, at its discretion, may choose to rely upon the track record of its *Controlling Entity*. **In order to list the track record of the *Controlling Entity* in Exhibit B, the Applicant must designate a *Controlling Entity* in Question #3. If the Applicant chooses to complete the tables in Exhibit B with information from the *Controlling Entity*, it must also use the *Controlling Entity* for populating Table D1 and Table E1.**

**TIPs for Exhibit B, Tables 1-4:**

- 1) Where indicated in Table B1, enter the dollar amount of debt financing provided by the *Applicant* (or *Controlling Entity*) in row 2a. In row 2b, enter the dollar amount of equity financing provided by the *Applicant* (or *Controlling Entity*). Enter all financing from other sources (excluding grant dollars) in row 3. Row 2 will automatically calculate based on your entries in rows 2a and 2b. The *Applicant* may discuss in Question #19 any role the *Applicant* (or *Controlling Entity*) played in leveraging or facilitating financing for which it did not provide direct financing.
- 2) Grants provided by the *Applicant* (or *Controlling Entity*) must be excluded from Tables B1 – B4. *Equity investments* into non-profit organizations are considered grants (per the definition of *Equity Investment* in the application glossary).
- 3) Do not include tax credit equity raised as QEIs from investors in Table B1 or Table B2. Row 2(b) in Table B1 should only include equity financing provided to Real Estate and *Operating Businesses* (excluding *NMTC Restricted Business Activities*). Row 4 in Table B2 should only include equity financing provided to other *CDEs*.
- 4) For the purpose of completing Tables B1-B4, the *Applicant* must choose to either use its own track record or that of its *Controlling Entity*. If the *Applicant* chooses to use its own track record it must include, in the aggregate, the financing track record of all *Subsidiaries* of the *Applicant* and may not include any of the *Controlling Entity's* activities. However, if the information in Tables B1-B4 reflects the activities of the *Controlling Entity*, the information must include, in the aggregate, the financing track record of **all** *Subsidiaries* of the *Controlling Entity*, including the *Applicant* if the *Applicant* is a *Subsidiary* of the *Controlling Entity*. The *Applicant* must discuss track records of both the *Applicant* and *Controlling Entity* in the narrative to Questions #19 or #20 (as applicable). The narrative should clearly distinguish between the track records of each entity.
- 5) The *Applicant* must distinguish between direct financing provided by the *Applicant* or its *Controlling Entity*, as entered in Table B1, row 2 and Table B4, row 1 and indirect financing (financing provided by third party sources), entered in Table B1, row 3 and Table B4, row 2. *Applicants* should not enter the same data in more than one row.
- 6) Tables B1-B4 should be mutually exclusive. *Applicants* should not enter the same data in more than one Table in Exhibit B.
- 7) In the Column titled "2017-2018 Year to Date (YTD)," the *Applicant* can only enter information on activities closed by the *Applicant* or *Controlling Entity* on or before the release date of the *Allocation Application*, May 2, 2017-2018. The *Applicant* **may not** enter information on activities planned or projected to close after the *Allocation Application* release date, including issued *QEIs* that have not resulted in *QLICs* closed by the release date of the *Allocation Application*.

The Tables in Exhibit B reflect the activities of (check one):  Applicant  Controlling Entity

## EXHIBIT C: STAFF AND BOARD QUALIFICATIONS

**Instructions for Tables C1 and C2:** The *Applicant* should complete Table C1 and Table C2 in their entirety. Please note that Table C2 allows the *Applicant* to identify key personnel that have experience in multiple management areas. *Applicants* should be sure to discuss key personnel's experience specific to *LICs/Low-Income Communities*, where relevant. *Applicants* are to list no more than 15 individuals in Table C2. The CDFI Fund will only evaluate the initial 15 individuals listed in Table C2. For each narrative response in Questions #29-#31 and their corresponding sub-sections, reference and discuss the combined management experience of all individuals listed in Table C2 as it relates to the *Applicant's* management capacity in that given area. An *Applicant* must also identify any consultant(s) contracted to write either portions or the entirety of their *Allocation Application*.

## EXHIBIT D: ASSET MANAGEMENT AND INCOME & OPERATING EXPENSES

**Instructions for Table D1:** For each of the past three fiscal years, indicate the total number and dollar amount of loans and *Equity Investments* outstanding to both real estate and *Operating Businesses*. For each fiscal year end, report in rows 4 and 9 the percentage of loans and mandatory dividend payments, on a dollar basis, that were 90 days past due (e.g., the combined dollar amount of principal, mandatory dividend, and interest payments 90 days or more past due / the total dollar amount of loans and *Equity Investments* outstanding at fiscal year-end). In rows 5 and 10, enter the total dollar amount of capital from loans and *Equity Investments* written off during the fiscal year (e.g., total dollar value of loans and/or *Equity Investments* written off less capital recovered). If the *Applicant* (or *Controlling Entity*) has not made loans to either real estate or *Operating Businesses*, check the corresponding "N/A" box. If the *Applicant* (or *Controlling Entity*) has no delinquencies at the end of a particular fiscal year, indicate "0" in lines 4 and 9, as appropriate. If the *Applicant* (or *Controlling Entity*) has had no write offs of loans and/or equity during a particular fiscal year, indicate "0" in lines 5 and 10, as appropriate. **If the Applicant chooses to complete any table in Exhibit BA with information from the Controlling Entity, it must do so for all Tables where Controlling Entity is an option, including Table D1.** If the *Applicant* completes Table D1 for the *Applicant*, the information must include, in the aggregate, the financing track record of all *Subsidiaries* of the *Applicant* and may not include any of the *Controlling Entity's* activities. However, if the *Applicant* completes Table D1 for the *Controlling Entity*, the information must include, in the aggregate, the financing track record of all *Subsidiaries* of the *Controlling Entity*, including the *Applicant* if the *Applicant* is a *Subsidiary* of the *Controlling Entity*.

**Instructions for Table D2:** Based on the proposed transactions listed in Question #17 and Table A5, provide an itemized list of the individual fees that represent the Fee Structure the Applicant anticipates will typically apply to investments closed with the requested NMTC Allocation and result in compensation to the Applicant (or Controlling Entity), an Affiliate or an Unaffiliated Third-Party. Applicants must disclose every fee to the extent practicable, regardless of the expected source and recipient, when in the NMTC investment lifecycle the fee is expected to be charged, and where in relation to the QEI it is expected to be charged. Applicants must not include transaction costs such as legal and accounting expenses that are not part of the Applicant's fee structure. Applicants should assume that they will receive the full amount of the requested NMTC Allocation and fund each of the proposed transactions listed in Question #17 and Table A5.

1. Select 'Type' based on the time in the NMTC investment lifecycle the fee is expected to be charged:
  - a. Select 'Upfront Fee' for any fee that is expected to be charged before the QLICI is closed. This category includes but is not limited to, fees such as origination, placement, sub-allocation or syndication fees. Applicants should note this includes any fee that will be charged before the QEI is made.

However, if the *Applicant* chooses to complete Table E1 for the *Controlling Entity*, the information must include, in the aggregate, the financing track record of all *Subsidiaries* of the *Controlling Entity*, including the *Applicant* if the *Applicant* is a *Subsidiary* of the *Controlling Entity*.
- 2) In Table E1, in the Column titled "~~2017~~2018 Year to Date (YTD)," the *Applicant* can only enter information on capital raised by the *Applicant* or *Controlling Entity* **on or before** ~~to~~ the release date of the *Allocation Application* ~~on May 2, 2017~~. The *Applicant* may not enter information on capital projected to be raised after the Application release date.
- 3) Complete Table E2, if the *Applicant* (or *Affiliates*) received *QEI*s from investors in equal to or greater than the Allocation requested in Question #1, between January 1, ~~2012~~2013 and May 2, ~~2017~~9, 2018, the release date for the ~~2017~~ NMTC *Allocation* Application
