Congressional NMTC Champions Circulate Dear Colleague Letters Seeking Cosponsors

Representatives Tom Reed (R-NY) and Richard Neal (D-MA) are circulating a Dear Colleague letter requesting cosponsors on the New Markets Tax Credit Extension Act of 2017 (H.R. 1098). The letter also highlights the release of the NMTC Coalition's [2018 Progress Report](#).

The lead sponsors of the Senate NMTC extension bill (S. 384), Senators Roy Blunt (R-MO) and Ben Cardin (D-MD), plan to circulate a similar Dear Colleague letter soon.

Links to the Reed/Neal Dear Colleague and an updated Congressional Target List can be found at the top of this email. If you have recent projects that overlap with these Members of Congress, please take a moment to pass on the Dear Colleague and urge them to cosponsor H.R. 1098 or S. 384.

Reminder: CDFI Fund Seeking Reviewers for NMTC Application

Call for Community and Economic Development Practitioners

The CDFI Fund is issuing a call for well-qualified personnel to serve as application reviewers for the 2018 NMTC application round. The Fund has contracted with [F2 Solutions](#) to recruit reviewers. Recruitment will be conducted by F2 on a rolling basis until July 27, 2018.

General Candidate Qualifications

The CDFI Fund and F2 Solutions require reviewers to have considerable expertise in community and economic development finance. The strongest reviewer candidates will have:

- Specialized knowledge in commercial finance, including direct experience with the NMTC Program or other tax credit programs such as the Low Income Housing Tax Credit or Historic Tax Credit programs;
- Experience underwriting loans to or investments in operating businesses or commercial real estate;
- Experience financing community-based organizations; experience evaluating community and economic development investments or entities; or
- Prior experience serving as an NMTC application reviewer.

Period and Location of Service

Application reviews are scheduled to begin in early September and end in late October 2018. These reviews will be completed using a web-based review tool from the reviewer's chosen remote location. As a result, reviewers are required to have consistent high-speed internet access.

How to Apply

If you are interested in applying, please send a brief email indicating your interest to: NMTCReview@F2Solutions.com.
