

NEW MARKETS
TAX CREDIT COALITION

HAWAII ORGANIZATIONS ON WHAT THE NEW MARKETS TAX CREDIT MEANS TO THEIR COMMUNITY:

"This program is critically important! As a result of our ability to tap into NMTC we build a new, state of the art health care facility and now are able to provider high-quality health care services (including telehealth) to this rural, remote, low-income underserved island!!!

The residents of Lanai have extremely limited healthcare choices. Our new facility is a dream that is finally being realized by our founding mothers, board, employees, and most importantly, our patients and the community. "

-**Diana M Shaw, Executive Director, Lanai Community Health Center, Lanai City, HI**
