

Access to expertise • Economic impact • Comprehensive financial solutions

You are invited

Learn how New Markets Tax Credits stimulate growth.

Nationwide, more than \$34 billion of New Markets Tax Credit capital has been invested into thousands of businesses and real estate developments since 2002. Please join Baker Tilly, DC Housing Enterprises, the District of Columbia Housing Authority, the Business Valued Advisor Fund, LLC, Volunteers of America, Wells Fargo, and Ballard Spahr, LLP to learn how to access New Markets Tax Credits for your qualified business or real estate development. These unique tax credits have helped developers and business owners gain access to a low-cost source of capital to solve a portion of their capital needs while creating significant community and economic impact in distressed areas. **Please join us to learn more about the New Markets Tax Credit program here in the District of Columbia and find out if your project or business qualifies.**
