HAWAIIANS WEIGH IN ON THE NEW MARKETS TAX CREDIT

“This program is critically important! As a result of our ability to tap into NMTC we build a new, state of the art health care facility and now are able to provider high-quality health care services (including telehealth) to this rural, remote, low-income underserved island.”

-Diana M Shaw, Executive Director, Lanai Community Health Center, Lanai City, Hawaii

“The New Markets Tax Credits will positively impact our state’s economic growth by bringing job opportunities to marginalized communities. This allocation of funds will help build a stronger and more resilient Hawaii for generations to come.”
