## Coalition Hosts Briefing on 2013 NMTC Progress Report

On Wednesday, June 5th, the NMTC Coalition will host a [breakfast briefing](#) to mark the release of the 2013 NMTC Progress Report. The briefing is scheduled for 8:45 a.m. in room 121 of the Cannon House Office Building and will include presentations of NMTC projects profiled in our report *New Markets Tax Credit at Work in Communities*. All Coalition members are strongly encouraged to attend the event.

- [Download the Briefing Invitation](#)

The best way to get Members of Congress and their staffs to attend this briefing is to receive an invitation from a constituent. We encourage you to email the invitation for the briefing to your Senators, Representatives, and their staffs.

After the briefing, we are inviting Coalition members to visit with their Representatives and Senators to brief them on the NMTC. We will have briefing packets available for you to take to the Hill with information on the NMTC, the *2013 NMTC Progress Report* and the latest on NMTC legislation.

If you do schedule meetings with Members of Congress or their staffs, please complete this electronic form to help us coordinate follow-up.
