

WISCONSIN ORGANIZATIONS ON WHAT THE NEW MARKETS TAX CREDIT MEANS TO THEIR COMMUNITY:

"Milwaukee Habitat for Humanity participated in two NMTC transactions (2012 and 2018). The funds we received helped leverage millions of dollars of additional private investment to that we could build safe, affordable homes for low to moderate income families in some of Milwaukee's most distressed neighborhoods. Without the NMTC we would be unable to serve as many hard working Milwaukee families who want to achieve the American dream of homeownership. Please support the extension of the NMTC for Robin, a single mom who became a Habitat homeowner because of the NMTC. For Robin, homeownership is going to mean finally having a safe, stable place where her three girls can call home."

-Brian Sonderman, Executive Director, Milwaukee Habitat for Humanity, Milwaukee, WI

"Through the NMTC program our organization has been able to increase access to primary medical, dental, and behavioral health care. Serving over 9,000 patients last year."

-Kristin Stearns, CEO, Lakeshore Community Health Care, Sheboygan, WI
